**STATE EMPLOYEE RATES AT MISSISSIPPI HOTELS
EFFECTIVE OCTOBER 1, 2004 - SEPTEMBER 30, 2005**

The contracts for Hotels/Motels are not mandatory. They are established for convenience purposes only. It is the policy of the State to pay reasonable and necessary costs associated with travel by employees. The State does not establish a maximum rate that may be paid by an employee when traveling; however, some agencies have policies that have established maximums. Travelers should be aware of their own agency policies prior to making reservations. Primary responsibility for the reasonableness of amounts charged rests with the agency head or his designee authorized to approve travel vouchers. Travel reimbursement requests which are not consistent with the normal rates charged for the area in question may be rejected.

- | | |
|----|---|
| A. | The rates listed are for standard single and standard double rooms. Any requests for "King", "Pool Side", or other Special Requests will NOT be at the rates quoted below. |
| B. | These rates apply for State Employees only, prices may also be available to Governing Authorities if indicated in the "Options Available" column. |
| C. | These rates apply for check-in on Sunday and check-out on Friday, or any days in between, unless indicated in the "Options Available" column. |
| D. | These rates apply for State Employees only, prices may also be available to City/County employees, Cost Reimbursable Contractors if indicated with a "yes" in the "Options Available" column. |
| E. | These rates do not apply for group meetings such as conferences, workshops, board meetings, etc. |
| F. | Confirmation of the state contract rate at the time reservations are made and/or prior to check-in is a requirement of these agreements. Be sure to ask for the "State Rate". |
| G. | The in-state contract hotel rates INCLUDE tax. This tax must be paid by State Employees who will later seek reimbursement from the State. |
| H. | If the employee will be paying for lodging, State sales tax will be collected and the employee will be reimbursed. If, however, direct billing has been previously arranged by the employee's agency, no tax will be charged the State Agency as provided in Section 27-65-1, et al, of the Mississippi Code. |
| I. | If you have a complaint regarding a hotel/motel refusing to honor contract rates or another incident to report to the Office of Purchasing and Travel, steps should be taken to resolve the matter between the employee and the contact person listed in the "Hotel Information" column. If the employee is unable to resolve the issue with the contact person listed in the "Hotel Information" column the employee needs to contact the Office of Purchasing and Travel at 601.359.3647 - phone, 601.359.2049 - fax, or travel@dfa.state.ms.us - e-mail. |
